

Need some spark in your life?

StarJam needs someone just like you!

StarJam is looking for compassionate people to volunteer in a variety of roles

StarJam is a not-for-profit organisation offering performance opportunities to young people with disabilities. StarJam kids gain confidence, empowerment, new friends, new hope and new purpose (so do the volunteers!). Visit www.starjam.org to see StarJam in action. We are on the hunt for compassionate, reliable people to register their interest in being a StarJam volunteer.

StarJam offers volunteers:

- Great support from dedicated staff, tutors and families
- A chance to be part of an innovative organisation that transforms lives – add some extra ‘oomf’ to your CV!
- Extremely rewarding positions
- \$10 petrol voucher to workshop volunteers

We need volunteers for the following positions:

- **Regular StarJam workshop volunteer (x4).** We will begin running performing arts workshops for young people with disabilities in Hamilton that each require a dedicated volunteer to help supervise and support the young people involved. The volunteer is responsible for opening and securing the venue, ensuring the safety of the participants and generally having a fun time with the kids. The workshops are held on a regular week night during the school terms from 6.30pm to 8pm, so is best suited to someone who can commit to regular involvement.
- **Relief StarJam workshop volunteer (x4).** This is an ‘on-call’ role which provides relief cover to regular workshop volunteers (for example, when they are sick, away on holiday or are running late). The responsibilities are the same as a regular workshop volunteer. This volunteer role is suited better to those who cannot commit to being a regular workshop volunteer.
- **Community monthly get-together volunteer (x6).** StarJam will be holding community monthly get-togethers on a regular weekend day once a month. We need volunteers to help prepare afternoon tea, help people to be involved in different activities (e.g. games), and provide support to the StarJam staff. This volunteer role is best suited to those who can make a regular once-a-month commitment.
- **Irregular event support.** Sometimes StarJam needs extra help at shows and events. This can range from anything from packing goody bags, organising costumes, through to selling tickets. This volunteer role is best suited to those who have a passion for what StarJam is doing, but are unable to help out regularly.
- Additionally, every now and again we have a need for some extra support in our office with things like data-entry.
